- Funds are intended to benefit for this year's students. Ideally, they should be spent early in the year. **The reimbursement request submission deadline is April 12, 2013. If you need to reserve funds for the fourth quarter, please e-mail the PTA Treasurer with that information by April 12.**
- *Original* receipts must be attached to a completed disbursement request (see the Forms section of the PTA website) and submitted to the PTA Treasurer. Be sure to note the name of the appropriate program, as shown in the table above, as the budget item charged. Please keep a copy for yourself and place all originals in the PTA Treasurer's folder in the bottom left drawer of the PTA desk.
- If you make a purchase through the school's purchasing program, please be sure to let Judy Evans know that you are using these funds to offset the cost of the purchase.
